Windows 10 (consumer editions), version 1903 - DVD

For this multi-edition Consumer media, use a product key specific to the edition in the list you want to activate. From the desktop, select the Start button > Settings > Update & Security > Activation. Select Change product key and enter your product key. If the key is valid, you'll be asked to confirm the edition change, and Windows then performs it for you.

Visio Professional 2019

Microsoft Visio Professional 2019 makes it easier than ever for individuals and teams to create and share professional, versatile diagrams that simplify complex information. It includes all of the functionality of Visio Standard 2019 as well as updated shapes, templates, and styles; enhanced support for team collaboration, including the ability for several people to work on a single diagram at the same time; and the ability to link diagrams to data instantly. Visio Professional 2019 also helps prevent information leakage by enabling Information Rights Management.
